SUMMER INTERIM - JUNE 6-10

Movement and Fun with Circus Olina *8:30am-2:30pm Ages: 6-12*

We are excited to announce Circus Olina will be back for summer break 2022 at Holy Nativity School. Circus Olina has created an exciting program, based around movement exercises, circus activities and some dance!

Throughout the day we have different activities planned for you. The day will be split into 3 main activity blocks. The activity blocks will vary. Our Movement Camps are a fun combination of games, jump roping, hula hooping, circus disciplines and some dancing!

Circus disciplines for example are juggling, spinning plate, balance beam, Chinese yo-yo and hula hooping. On our first day of camp kids get introduced to those different disciplines and the following days we will continue to practice them in a fun and age appropriate way.

This program works on and increases students' balance, coordination, confidence, and team working skills. Learning circus skills can increase the development of students' motor skills, improve muscle tone, increase balance and develop better equilibrium reactions.

Due to Covid-19 Circus Olina adjusted courses/ classes accordingly to follow state & federal regulations as well as school safety protocols and guidelines. For instance course material will be cleaned/ disinfected before and after each class. Each student will get their own set of juggling bean bags (3), juggling scarves and a spinning plate. A great set to continue practicing the new learned skills after the week is over.

Cost: \$500

If you have any questions feel welcome to contact us anytime.
