Circus Olina is back at Holy Nativity School for Summer 2021! Circus Olina has created an exciting program, based around movement exercises and circus. Come and join us for some movement & circus fun! The morning will be split into 2 main activity blocks. The first block focuses on games, hula hooping and jump roping skills. After a short recess & snack break the second block focuses on circus disciplines like juggling, spinning plates and the Chinese yoyo for instance.

Due to COVID-19, Circus Olina adjusted courses/classes accordingly to follow state & federal regulations as well as school safety protocols and guidelines. For instance, course material will be cleaned/disinfected before and after each class. Each student will get their own set of juggling bean bags (3), juggling scarves and a spinning plate. A great set to continue practicing the new learned skills after the week is over.
